

THE BREASTPLATE PRAYER

Think about 12 people who need to know Jesus, and write their names in the breastplate below. Make a commitment to pray for these people daily, so that they can experience His grace and love.

Family members	1	2	3
Friends	4	5	6
Co-workers, community members	7	8	9
Strangers	10	11	12

In the space below, write the names of some people in your life who *do* know Jesus. Make a commitment to pray for these people daily—that they will continue to grow in their relationship with God and discover new ways of knowing Him.
