*Fighting For Your Manhood* is an 8-lesson DVD series which teaches men about the Biblical manhood journey, while also encouraging the development of life-long relationships with other men, often as part of a manhood team. The relationships that are established with our manhood team will assist us with life's challenges and will help us make the changes that are necessary for manhood.

As part of this 8-lesson curriculum, you will watch a group of men, including Robert Amaya (Javier) and T.C. Stallings (T.J.) from the hit movie, *Courageous*, share what it means to be a man after God's own heart.

The *Fighting For Your Manhood* study series begins a process that helps men start to see themselves as God sees them, while also learning the importance of serving those around them. As a man learns to do this, he portrays Matthew 5:16:

*"In the same way, let your light shine in front of others. Then they will see the good things you do. And they will praise your Father who is in*
