

# WHAT IS GOD'S DESIGN FOR MANHOOD?

# WHAT WOULD IT BE LIKE...

**IF YOU** had a growing men's program in your church?

**IF YOU** could invite non-churched men and have them feel comfortable?

**IF YOU** could see men becoming what God has called them to be?

**IF YOU** finally developed momentum in your men's ministry program and did not have to worry about next year's curriculum, and the year after that, and after that?

## FOR THE PASTOR

"From a Biblical standpoint, the Knights curriculum is spot on."  
- Pastor Bob Steele

"Knights of the 21<sup>st</sup> Century is revolutionizing the lives of men in our church. The men are noticing, their loved ones are noticing and the community is noticing. The men are changing in ways I never could have predicted."  
Pastor Jim Whiteman

"Our world is desperate for men of integrity, commitment and courage. Attending Knights of the 21<sup>st</sup> Century has reminded me of my purpose and has affirmed in me the kind of legacy I want to leave behind."  
Josh Enck, Sight & Sound Theatres

## FOR THE MEN'S MINISTRY LEADER

"What changes any man's heart is the Word of God and the power of the Holy Spirit revealing truth to him. Knights puts their focus in the right place providing a new approach for a better dialogue to discuss the truths of Christ within men's 'real world' situations."  
Robert Amaya, Speaker/ Actor "COURAGEOUS"

"Knights provides men a solid biblical foundation of what true manhood is. With proper tools and teaching men are called into 'the heroic man's journey' by other men, through interaction in campfire groups. It is making a positive and lasting difference in the lives of men."  
Steve Muller, Local Church Tech Team Leader

## FOR THE MEN OF YOUR CHURCH

"I am a better Christ follower, husband and father because of Knights."  
Matt, Husband and Father

"This program has changed and impacted my life. I saw aspects of my relationships that were just wrong and I am continuing to work on becoming a better man."  
- Jim, Husband and Father

"Put excellence and consistency before men and they will respond by showing up."  
Steve, Valley Community Baptist Church

# WHAT DOES IT MEAN TO BE A KNIGHT?

**Simply Stated... It's A Man Who Is Learning To Live According To God's Purpose For His Life.**

The Knights of the 21<sup>st</sup> Century program was developed using the metaphor of a knight to help men grow in Christ, learn to lead their families and contribute to their communities more effectively, and by doing this, change our culture through the local church.

The tools provided by this program enable men to see God's purpose behind their design, develop their God-given talents, and appreciate the presence of Christ in every area of their lives.

Across the nation, different Knights men's ministry groups are learning new ways of fighting for their wives, children, and God, as a result of this innovative and life-changing program.

## DISCOVERING YOUR BIBLICAL MANHOOD JOURNEY

**Men Are Confused About Their Role In The 21<sup>st</sup> Century.**

With each passing day, society continues to define men as stupid and passive, having no purpose or intentionality. Men need to understand that God created them to lead courageously. The passions they have inside were given to them by God and are meant to be lived out in ways that glorify Him.

**Each 24-week series explores the five areas of priority for a man's life and his journey to Biblical manhood:**

1. Understanding the complexity of God's design and consciously seeking God's input for who he is
2. Learning what it means to love his wife and children as Christ loved the church
3. Discovering God's specific purpose in his life and then doing it
4. Guidance for reaching out to other men and inviting them to hear Jesus' manhood message
5. Serving the local church in ministry with the gifts and passion that God has placed on his heart

Because this program focuses on certain priority areas of manhood, new men can join the group at any point during any year or series that your group may be presenting

## WHAT'S SO HOT ABOUT CAMPFIRES?

**It's Where Real Life And A Man's Christian Walk Meet.**

Each week there are group discussions (campfires) that are designed to help men talk about what matters in their lives. After each DVD-lesson, men will break up into smaller groups (preferably 6-8) and discuss how the current lesson relates to them on a personal level. The small group process is foundational to a man's ability to build significant relationships between like-minded men within the church community.
