OF

MAKE A DIFFERENCE IN
YOUR WORLD

*"The longer you wait, the less you
become, and the more quickly the
world around you dissolves."*

START THE JOURNEY

CHANGE THE CULTURE

- Our culture is not right...
- Men have lost a sense of who they were called to be...
- We are afraid for the next generation...

There is a solution!

- A movement has begun. Men are beginning to stand up, become Knights, and turn the tide.
- Men are meeting in a variety of settings such as prisons, churches and community centers.
- Men are joining together to talk about life, support one another, and seek change.
- Men of the church are working together to provide answers for the isolated, passive and directionless males who negatively impact their families.

BECOME THE MAN YOU HAVE BEEN CALLED TO BE

GATHER YOUR TEAM

We want YOU!

This program encourages each man to fight isolation by becoming a part of a band of brothers. It calls up each man to nobility...to Knighthood...to something that he has always wanted to be, but didn't have a map or a language to show him the way.

Once men start the journey...

- ...their women see change.
- ...their children feel connected.
- ...their bosses see commitment.
- ...their friends see passion.
- ...their relationships become strong.

When men change and reach their highest calling, it results in changes around them. Eventually, the culture will bend to the strength of real men with their families tightly surrounding them and moving toward something noble, right, and good.

The Lord has shown you what is good. He has told you what he requires of you.
