THE GENESIS PATHWAY

HOW IT WORKS

This pathway continues to be an effective way to lead men through our DVD programs. *The Genesis of Manhood*, our 6-week introductory program, focuses on God's original plan for manhood. It shows how the fall and the pervasiveness of its negative effects harm men to this day. But there's hope—a relationship with Jesus can help males become men of God. This program leads into our 5-year program, *The Heroic Man's Journey*, which further discusses God's plan for men and how we can achieve it. Year 1 (*Squire*) introduces a new manhood language that calls men to nobility in their thoughts and actions, and challenges them to achieve their potential in every area of life.

THE MANHOOD JOURNEY PATHWAY

HOW IT WORKS

Manhood Journey will start your group out strong—it's full of Biblical content and real discussions between men. Starting out with this series gets to the most important aspect of any man's journey toward Godly manhood: strengthening, supportive relationships with other men. With our team of presenters from diverse backgrounds, cultures and ages, any man can find someone to relate to and others to learn from.

THE SHORTER SERIES PATHWAY

HOW IT WORKS

Our shorter series are great to use during the summer, at men's retreats or at breakfast meetings. They're also useful for groups that don't have a long-term commitment. Start out with our 14-lesson series, *Following God in the Raw*, to help your group strengthen their manhood and work up to our longer 24-lesson series.
