

# BE LIKE PETER

JUMP OUT OF THE BOAT. CHANGE YOUR WORLD.

## Our World Needs Men Like Peter—

- Who recognize that our culture is in shambles and have the passion to change it for God.
- Who jump out of the boat and do something about it.
- Who fix their eyes on Jesus — who WILL empower them to make a difference.

To "*Be Like Peter*" is not hard. It simply requires a willing heart and a passion for Godly manhood.

If you want to be a catalyst for change and can humbly accept God's eternal rewards, you can help heal our culture by contacting Knights at:

**KNIGHTS21.COM**

**1-800-304-1184**

# THE MISSION

1. To gather small groups of men to learn and grow into God's design for Biblical manhood.
2. To encourage men toward positive change which is applied to their everyday lives.
3. For men's relationships with their wives to be enhanced, making their families closer, and impacting their world.

As a small flame ignites when the right fuel is provided, so can a group of men who gather to discuss God's principles for manhood. Start a Knights chapter by gathering men in small groups to discuss Biblical manhood using the Knights curriculum. Jump out of the boat, like Peter, to help men form supportive relationships which will become a catalyst for change in families, in your church, and in your community.

**All it takes is one Peter** – a man who chooses to jump out of the boat and become the rock Christ can use to strengthen and build the church. THIS building project will create an effective, supportive, and evangelistic men's ministry in your church and community.

## Peter's Challenge:

- Fight** - to change the world, making it what God wants it to be.
- Faith** - to jump out of the boat with courage and act, despite feeling unqualified.
- Ignite** - your personal passion and energy. Gather a group of men and take the journey toward Biblical manhood together.
- Choose** - to step out of the boat and become the catalyst who starts the adventure of building a strong men's ministry.
- Reject passivity** - Embrace passion, commitment, and action. Be a rock...like Peter!
